

CIVIC

Stylish and practical, without the compromises

The 2010 Civic offers the looks of a sleek 3 door but with all the functionality of a 5 door hatchback.

A 100PS 1.4 i-VTEC petrol engine offers impressive power and torque, with excellent economy and low emissions. The 1.8 i-VTEC comes with a fully automatic gearbox for a more relaxing drive, whilst the 2.2 i-CTDi diesel delivers a blend of power and efficiency.

The front grille looks sporty, while the trim, wraparound headlights and a rear combination light cluster add to the sleek appearance. Inside, MP3 connectivity is standard across the range, and you'll find HID xenon headlights, integrated DVD satellite navigation and Bluetooth® handsfree telephone system as standard on our new T Grades and the EX GT.

Built to deliver an exciting, involving driving experience, the Civic 5 door is an excellent choice for drivers who want a Honda that's stylish as well as practical.
