

# ACCORD

## Sporty and sleek. Refined and comfortable

The Accord Saloon and Tourer combine power and frugal fuel efficiency along with sporty handling and top class levels of refinement - delivering a rewarding driving experience.

With lots of high specifications that don't cost the earth (lots of the good things come as standard), the Accord is the perfect company car.

Also, with a Euro 5 compliant engine line up, the Accord not only means drivers can enjoy a sporty, involving drive, but also cleaner emissions. Better for the environment, and drivers' tax liability.
